

## Attachment 15: IRWM Plan – Reduce Delta Water Dependence

Attachment 15 is not required as part of the Mokelumne / Amador / Calaveras (MAC) Prop 84 Implementation Grant Proposal as the MAC Region does not receive water supplies from the Sacramento-San Joaquin Delta and the MAC IRWM Plan does not help reduce dependence on the Delta. The MAC region, which includes most of Amador, Alpine and Calaveras counties, lies in its entirety to east of the Delta. The region receives water supplied primarily by the Mokelumne and Calaveras Rivers and associated tributaries.
